Detail: Studio 4 Dance Theater's 2015 Spring Showcase features all new dances in an eclectic mix of ballet, jazz, hip hop and contemporary dance.

This year's production includes a contemporary ballet interpretation of "Pictures at an Exhibition," Russian composer Modest Mussorgsky's tribute to artist Viktor Hartmann, choreographed by Tammie Lee.

The second act is a showcase of ten works by both new and seasoned choreographers from Studio 4 Dance Theater and Studio 4 School of Dance. Dances range from ballet to lyrical to jazz to tap to hip hop, with an equally wide variety of music, colorful costumes and creative lighting designs.

The Spring Showcase is appropriate for all ages.
