April 24, 2017

Dear parents, dancers and actors,

Studio 4 Dance Theater's vision is to create a successful program for young dancers and theater actors that aspire to continue in this field. We want to inspire youth that want to perform for the love of dance or acting by offering scholarships and a program where they can develop their art form and thrive as a dancer/actor and as an individual.

We have an established scholarship program for dancers and theater actors' ages 11-18 (age 11 by June 1) and a resident of Calaveras, Tuolumne or Amador County. This has been a goal of the company and we are excited to have this opportunity to help dancers and actors in our community again this year.

The scholarship fund is \$1000 and provides up to 4 scholarships per year, with each scholarship recipient receiving \$250 each. The scholarships are available to those dancers/actors that have already been accepted into a structured school. This is not available for dance and/or cheer camps.

Any dancer that wishes to apply for this scholarship needs to audition for Studio 4 Dance Theater along with completing the application process. Once a request has been approved payment will be made directly to the school that the dancer/actor will be attending. It is the parent/dancer's/actor's responsibility to apply to the school of their choice and make all other necessary payments. The application is available on our website at [www.studio4dancetheater.com](http://www.studio4dancetheater.com)

If your child is interested in applying please speak with Tammie Lee. If you know of someone who is a dancer or actor please share this information with them. We are excited to have this opportunity to help further the career of dancers and actors in our community.

Sincerely,

Studio 4 Dance Theater Board of Directors
