## Scholarship Program

Studio 4 Dance Theater's vision is to create a successful program for young dancers and theater actors that aspire to continue in this field. We want to inspire youth that want to perform for the love of dance or acting by offering scholarships and a program where they can develop their art form and thrive as a dancer/actor and as an individual.

We have established a scholarship program for local dancers and theater actors ages 11-18. This has been a goal of the company and we are excited to be able to have this opportunity to help dancers and actors in our community again this year.

The \$1000 annual scholarship program can be split into 4 scholarships per year, with each scholarship recipient receiving \$250. The scholarships are available to dancers/actors that have already been accepted into a structured school. The scholarships are not available for dance and/or cheer camps.

Any dancer that wishes to apply for this scholarship needs to audition for Studio 4 Dance Theater along with completing the application process. Once a request has been approved payment will be made directly to the school that the dancer/actor will be attending. It is the parent/dancer's/actor's responsibility to apply to the school of their choice and make all other necessary payments.

Studio 4 Dance Theater is a non-profit 501(c)(3) public benefit corporation and donations are tax deductible. Our Federal Tax ID # is 27-1787421. If you would like to make a donation to our scholarship program, please return this completed form with your check made payable to:
